Real Estate

Our national Real Estate Group is a one-stop shop, drawing on extensive experience in virtually every aspect of commercial, residential, industrial and mixed-use property to ensure our clients meet all of their investment and operations goals.

We work with developers, institutional investors, sovereign wealth funds, Fortune 500 companies, financial institutions, REITs and operators on matters including investment, acquisitions and dispositions, joint ventures, financing and refinancing, development and redevelopment, property and portfolio management, fund and REIT formation and operation, compliance matters, land use and zoning, multifamily facilities, government real estate and dispute resolution.

Our team regularly assists clients with office buildings, regional malls, hotels, self-storage, senior housing and assisted living facilities, shopping centers, residential developments, industrial parks, warehouses and every other type of property.

With the market relationships and intelligence that come with more than 140 years in all aspects of commercial real estate law, we provide sophisticated guidance on all types of projects and transactions.
